

**Smile like
you're happy!**

**Frown like
you're sad.**

**Scowl like
you're angry.**

**Make a
face like you
feel silly!**

**Look like
you're worried.**

**Gasp
like you're
surprised!**

**Laugh like
feel joyful!**

**Look like
you feel
nothing.**

**Cry like
you feel sad.**

**Make a face
like you feel
scared!**

**Act like
you feel
embarrassed.**

**Make a face
like you're
grumpy.**
