

Homeschool News

A quarterly newsletter from the Cape May County Library

HELLO, SUMMER!

As the summer approaches, the library is adjusting the hours of service and the time limits. Beginning June 1, patrons can spend up to an hour in the library buildings to browse, and some of the seating will be making a comeback. The Children's Department is also hosting outdoor storytimes and book clubs throughout the summer. Don't miss out on the latest library news; friend us on Instagram @cmclibrary, or on our new Cape May County Library Kids Facebook page.

SUMMER READING CHALLENGE

Get ready for an absolutely paw-some summer! Cape May County patrons of all ages can register for the Summer Reading Challenge, which will take place between June 28-August 27. Participants will be able to earn points for logging the minutes they spend reading or using library materials, logging library events attended, writing reviews, and completing activities! Prize drawings will take place at the end of the challenge. Pre-register at cmclibrary.beanstack.org.

SRC VIRTUAL EVENTS

Our favorite Summer Reading Challenge performers are back for another year of fun, interactive **virtual** performances. Join Sciencetellers (now called Talewise), Mr. Jon & Friends, Traveling Lantern Theatre Company, the Wetlands Institute, and magician Chad Juros as they entertain and educate. The performances are best suited for ages 4-10. Registration is required for all performances. [Please see our events calendar for a schedule of performances, and to register your child\(ren\) to participate!](#)

COMING THIS SUMMER

K-FAI STEELE VISITS!

Save the date! Author and Illustrator K-Fai Steele will be holding a virtual author visit on Wednesday, July 21 at 10am!

CAPE MAY COUNTY HOMESCHOOL

Connect with other local homeschooling families and learn about local events, meet-ups, co-ops, or just ask for advice! Ask to join the Facebook group "Cape May County Homeschool."

FEATURED RESOURCE: LIBBY

Unable to make it to the library? No physical copies available of the book you want to read? Try Libby, an e-book app that connects you with a whole library of e-books and e-audiobooks to download! All you need is to download the Libby app (by Overdrive) and have a valid Cape May County Library card! See cmclibrary.org for more information.

Libby.
