

Homeschool News

A quarterly newsletter from the Cape May County Library

HELLO, FALL!

September brings the Cape May Court House Library's 50th anniversary celebration! Join us on Saturday, September 18 at 1pm at the Court House Library for scavenger hunts, chalk obstacle courses, and help us bury a time capsule of 2021! We are also excited for upcoming author visits, storytimes, and, of course, a whole hoard of new books being released! Don't miss out on the latest library news; visit kids.cmclibrary.org, or friend us on Instagram @cmclibrary, or on our new Cape May County Library Kids Facebook page.

FALL READING CHALLENGE

CMCL Kids presents our latest reading challenge: Hallow-Read! Earn 1 point for every minute spent reading (or being read to), and earn prizes for every badge that's earned! Children can also earn points by logging events attended, completing activities, and writing reviews of the books they've read. This challenge is open to all children ages 0-12, and begins on Monday, September 20. Visit cmclibrary.beanstack.org to create an account today!

OUTDOOR PROGRAMS

We are embracing the cooler temperatures by continuing to host outdoor storytimes and Messy Masterpieces. Look for our added storytimes at the Woodbine Library and at the Harborview Park in Cape May, beginning the week of September 13. We are also hosting a Russian Storytime at our Pocket Park at the Court House branch on September 20! Please see our full schedule at events.cmclibrary.org.

MEET THE AUTHORS!

Save the date! Join us for a virtual visit with author Stacy McNulty on Wednesday, October 20 at 10am. Author and Illustrator Peter Brown will be holding a virtual author visit on Wednesday, December 8 at 10am! Register to meet these authors at events.cmclibrary.org.

DEEPLY ROOTED LEARNING CENTER

Connect with other homeschool families and learn together! Deeply Rooted Learning Center hosts co-op classes, playdates, field trips, art classes, and more. Find out more at: <https://www.deeplyrootedcm.org/>

FEATURED RESOURCE: BRAINFUSE

Meet the library's newest database! Designed for a wide range of academic needs, Brainfuse can help with a tough homework problem, mastering a particular topic, writing a paper, and more! Services include live academic tutoring with an expert. Try Brainfuse today at: cmclibrary.org/help/research/ChildrensResources.

A CMC Library card is needed to use this service.
