## VIRTUAL AUTHOR VISITS!

Author Stacy McAnulty will be visiting us virtually on October 20th at 10am! Author and illustrator Peter Brown will be visiting us virtually on December 8th at 10am! Teachers are encouraged to register for these virtual visits so they can participate with their classes! One registration spot will allow your students to experience the visit from the comfort of your classroom.

Both authors have written some of our favorite read aloud picture books and chapter books! Check our catalog for their titles so you can share them with your class before the visits!

# MEET KRISTIN!

Kristin is a children's librarian at the Sea Isle City Library & Upper Cape Library. Her special focus is events! She hosts weekly storytimes, a monthly book club, and recruits fantastic performers, authors, and presenters. She also orders all of the children's nonfiction books.

Kristin received her two B.A.s from Stockton University in Visual Arts & Teacher Education and her Master's in Library and Information Science from Syracuse University. Before coming to CMCL, Kristin taught high school art at Cape May County Special Services COMPACT school. Kristin loves being a children's librarian at CMCL! Her favorite books to read are graphic novels and she strongly believes everyone should read what they like and read for fun!

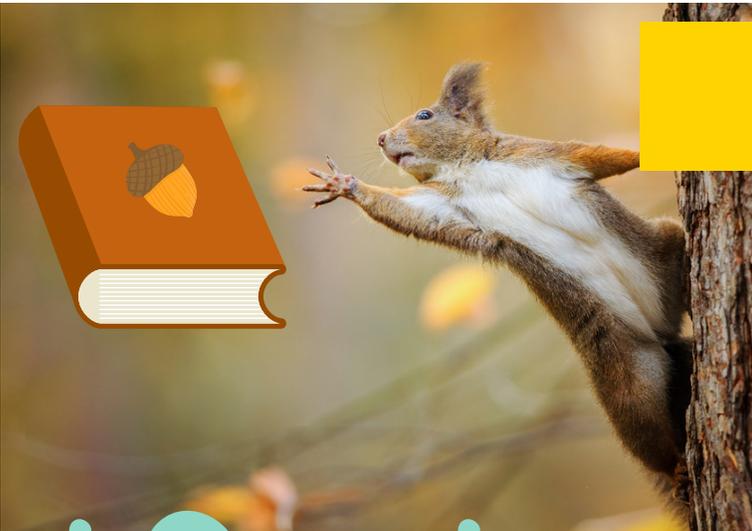

## LIBRARY CARDS

Students can get new library cards by having their caregivers fill out our online form:

<http://cmclibrary.org/kidscard>

We will bring these cards to your school offices and each school can distribute them as they see best.

Library cards will allow your students to access library databases, eBooks, eAudiobooks, and, of course, our large range of library materials!

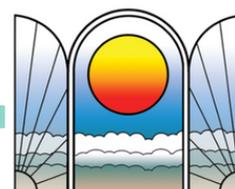

## FALL VISITS

We'd love to set up a virtual visit with your class! Sadly, we won't be able to have classes visit the library this fall, but we can come to your school and see up to two classes at a time. Please let us know if you are interested in setting up a virtual visit or a small group visit!
