LIBRARY CARD FOR KIDS

Library cards open up a world of opportunity for students (and teachers too!). With a library card, students can borrow books, audiobooks, magazines, DVDs, CDs, and Launchpads. They can also access electronic databases that can help with research and homework. Most importantly library cards are free! Children and their caregivers can visit any Cape May County Library to learn more. For more information, please contact the Children's Department at (609) 463-6350 x300 or children@cmclibrary.org

BOOKFLIX

BookFlix is one of the many free databases you and your students have access to using your library cards!

BookFlix pairs fiction and nonfiction titles, animates and reads them aloud for you, and provides extra thematic activities. BookFlix is best suited to PreK-3rd grade.

All you need for free access is your library card number and PIN. Visit all our databases for kids here:
