WINTER EVENTS
Information about our upcoming kids' events

STORYTIMES
Children ages 0-5 and their caregivers are invited to enjoy stories, songs, rhymes, and more! Storytime is great for developing your child’s language skills and social skills. Click here for our storytime calendar.

LEGO FUN!
Build your own LEGO creation at the library! Each month, we’ll have a different theme to inspire potential LEGO Master Builders. Click here for more information.

TRADITIONAL EARTH SKILLS
Traditional Earth Skills offers a variety of living history as well as a “hands on” wilderness skills workshop for homeschoolers and their loved ones. Click here for more information.
VALENTINE’S DAY PARTY

Drop by the Sea Isle Clty Library for some Valentine’s Day fun, featuring holiday-themed crafts & activities. Click here to find out more.

FRIENDSHIP BRACELETS & BOOKS

Join us for books, bracelets, and fun! Choose a book about friendship, share a snack, and get creative at the library. There will be a variety of friendship bracelet making supplies available at differing levels of difficulty. Click here for more information.

VIRTUAL AUTHOR VISIT WITH AARON REYNOLDS

Hilarious and interactive online presentation by children’s author, Aaron Reynolds! This author visit is best suited for children in 2nd grade and up. It will be held on the GoToMeeting platform. Click here to find out more.

TEDDY BEAR PICNIC

Children ages 2-6 are invited to build their own stuffed bears at the Stone Harbor Library! Join us for a variety of fun Teddy Bear activities! Click here to find out more.
SHARK PARTY!

Children and their loved ones are invited to celebrate all things sharks at the library. Click here to find out more.

TOT TIME

Join us for caring and sharing and lots of fun! Choose a book to read together, dance to music with scarves, play with toys and puzzles, or simply enjoy visiting with other children and adults. Click here to find out more.

MAGIC: THE GATHERING

Learn and play Magic: the Gathering, a trading card game. Cards and curriculum have been provided by Magikids by Weird Cards (https://magikids.org/) a 501(c)3 charity. Open to grades 5-8. Click here for more information.

CHESS FOR KIDS

School age children are invited to participate in this introduction to chess program. Learn the basics and some advanced concepts, such as strategies for openings, as well as fun chess puzzles that help develop critical thinking!
